DIEBOLD OPTEVA[®] 522

LOBBY CASH DISPENSER

A revolutionary free-standing cash dispenser...so many features, such a small footprint!

Available in Front-load Lobby, Rear-load Lobby or Vestibule Models

Feature-rich functionality – Opteva 522 offers outstanding functionality featuring cash and media dispensing, marketing capabilities, bill payment, funds transfers and balance inquiries—all built into a compact footprint.

Maximum availability – Ensure maximum availability with Opteva 522's five-cassette capacity, which is supported by intelligent modules that forecast maintenance needs so you can respond proactively.

Ultimate reliability – Opteva technology delivers one of the highest levels of uptime in the industry. That means consistent convenience for your customers and peace of mind for you.

Flexible installation – Small footprint featuring front-load, rear-load and vestibule configurations, Opteva 522's flexible design complements most financial institutions for efficient use of valuable floor space.

Multi-channel software – Agilis[®], Diebold's high-performance solutions platform, performs in a cross-vendor environment and connects to Web applications, back-office systems and other customer channels to maximize your brand, personalize transactions and deploy new functionality quickly.

Security solutions – The enhanced security features integrate the latest in fraud-prevention technology to reduce your exposure while offering your customers an enhanced sense of security.

DIEBOLD[®]

Peace of Mind is Priceless

For the highest level of reliability and continuous accessibility from your ATM channel, put your trust in a proven leader. Diebold technology operates easily, profitably and securely, so your channel runs as efficiently as possible. Our self-service solutions provide maximum durability for high return on your investment. Diebold Opteva® hardware and Agilis® software platforms were designed with an eye toward the future by ensuring upgradeability and delivering tomorrow's self-service terminals today.

Enjoy the peace of mind only Diebold technology delivers. From ease of installation, to the latest in security features and maximum availability, Diebold offers reliable solutions that boost profitability. Choose dependability. Choose Diebold.
